

Ready, Steady, Grow! – Home Learning

We are learning all about growing, plants, and how living things change over time. Have fun completing these activities with your grown-up. You can draw, write, or talk about your ideas.

Planting and Growing

Plant a seed or bulb at home. Watch it grow and talk about what it needs to stay healthy.

What did I plant?	Where did I plant it?
Draw a picture of your seed/bulb/plant:	

What Plants Need

Talk about what plants need to grow. Can you remember all of them?

Plants need:

Healthy Living

Talk about how we can stay healthy and grow strong.

Healthy food I like:	Exercise I enjoy:

Healthy Mind

How Can I keep my mind happy and healthy?

Draw and write what you do to keep your mind happy and healthy:

Have fun exploring, growing, and learning together!
